

TECHNICAL DATA SHEET 3

CLEARLINE ROLLER SHUTTERS RECOMMENDED BULKHEAD DETAIL WHEN FIXED OR REMOVABLE MULLIONS ARE REQUIRED

NOTES:

1. The provision of structural supports to enable attachment of corner mullions is by others.
2. The provision of suitable ceiling / bulkhead access is by others;
3. As Mirage products are mechanical, full length bulkhead or ceiling access is recommended. It is recommended to install roller shutters inside a set ceiling or bulkhead. As such, Mirage Doors is not responsible for costs that may occur to achieve access inside a set ceiling or bulkhead.
